Agenda Items:

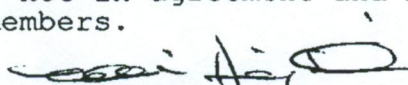

A. AWOL Stauts

The Union suggests to Management that notations be made as to AWOL #1 and AWOL #2 to differentiate whether the AWOL status is due to a no call, no show or simply absent without leave.

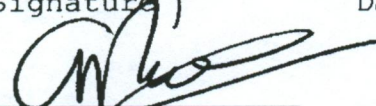

Management does not agree with the suggestion to differentiate between AWOL #1 and #2. It is up to the staff members to provide their Leave Request Form SF-71 to document the reason for the AWOL.

The Union is not in agreement and believe it would benefit bargaining members.
