Subject: Invoke Negotiations

RECEIVED
FDC MIAMI
WARDENS OFFICE
2010 AUG - 9 AM 7:44

As discussed in the LMR meeting on May 26, 2010, the union would look into placing scanners for the unit team to scan DHO packets. The policy on DHO Packets states it is the DHO who is responsible for their packets. Several attempts were made to get clarification on this issue with the regional DHO, but was unsuccessful. The union is aware at other facilities there are DHO assistants who perform this task. After researching this issue the union has several questions.

- 1) Who has been doing the DHO packets at FDC-Miami until now?
- 2) What has changed for them not to continue doing the DHO packets?

Pursuant to Article 3, and Article 4 of the Master Agreement the Union is invoking its right to negotiate the following Unit Scanners. Please designate an agency spokesperson to formulate ground rules and negotiation dates.
